

ANCIENT RUINS

Ancient Ruins II

Tips & Tricks

- Some zombies will rise after they have been beaten!
- Defeat the hellhounds at the spring to gain access to the shrine of cure.
- Your mission is to enter the tomb of sister Agatha but the bridge over the ditch is blocked. You have to dewater the ditch to get in there.
- To open the watergate you must descend down to the control room. The key for the room is in the grave of the watergate keeper.
- Brother Ramirez guards the key for the holy sword. The key to his crypt is somewhere in the ditch.
- The spring will dry up when the watergate is open. Let's have a look in there...
- There is a snag with a holy symbol at the cemetery. Little challenges and a reward is waiting for you there.
- Find the switch in the labyrinth to get the key for the cemetery.
- The catacombs under Agatha's grave have an exit to the labyrinth.
